1:00-4:00 PM

What a clever way to decorate those Kleenex boxes seasonally or every month!

SUPPLIES NEEDED:

-Anita Goodesign's Seasonal Tissue Box Covers from the Projects Collection - 12 different choices! Order from the store early so you can get your designs on your embroidery medium

-Hoop to accommodate your designs

-Designs on your USB or design medium for your machine

-Embroidery thread for your design and a bobbin wound with bobbin weight thread. Bobbin thread does not have to match front colors (Don't forget all the great colors available at the store, and buying 30 gets you a free storage box!).

-Your choice of fabric. I used a wool felt for mine.

-Quilt batting

-Aqua Mesh (water soluble stabilizer), and Poly Mesh

-Remember all your standard supplies like your power cord, scissors, pins, marking pen, sewing thread and standard sewing foot to sew your cover together.

I look forward to seeing all of you in January. Remember your Show & Tell! I love seeing all your creations.
