

EMBROIDERY ADVENTURE CLUB SUPPLY LIST

SUPPLIES NEEDED:

- Smith Street Designs Fancy Stitchin' (order early through the store)
- Hoop to accommodate your designs (designs come in two sizes. The store sample used the large designs).
- Designs on your USB or design medium for your machine
- Embroidery thread for your design and a bobbin with bobbin weight thread. This would be a great chance to test out some of the super variegated threads. (Don't forget all the great colors available at the store, and buying 30 gets you a free storage box!)
- Sewing thread to match your fabric
- Template plastic or cardboard. Have your templates made before class
- Wonder Under or double-sided fusible web
- Poly Mesh stabilizer. I also used Muslin in the hoop, as the fabric adheres to it much better than the Poly Mesh, which has a tendency to melt!
- Small Clover iron, if you have one. I will bring mine.
- Fabrics 12 fat eighths or 1 1/2 yards. One yard for Backing & Binding (As this is a Crazy Quilt, you do not have to limit yourself to just cottons).
- Needle size dependent on your fabrics. An 80/12 will work fine on cottons.

If possible, to save time in class, have all your fabrics cut per the instructions included with your pattern.
